Subject: Microsoft Settlement

From:
Darren Hiebert
Madison, Alabama
Senior Software Engineer, XonTech, Inc.

To whom it may concern,

I wish to express my dissatisfaction with the Proposed Final
Judgement for reasons that I have found to be exceptionally well
summarized and addresses by the following "Open Letter to DOJ",
found at:

<http://www.kegel.com/remedy/letter.html>

Unless the settlement addresses the concerns raised in this letter,
I cannot find the settlement acceptable.
